

TECHNICAL DATA SHEET

PRODUCT NAME: Dishwasher Detergent

DESCRIPTION: With a dual action enzyme-based dish detergent, clean your dishes and machine together. Effective performance against baked on grease is a must in every kitchen. Don't worry if you have hard water, there's a built in water softener!

DIRECTIONS: Make sure the items are dishwasher safe. Pre-rinse dishes to remove large food particles. Load the items with soiled surfaces facing water spray. Just add one scoop of detergent into the dispenser cup. Use Rinse Aid if you have hard water. Please close the lid between uses. Store the detergent in a dry and dark place.
