

# TECHNICAL DATA SHEET

PRODUCT NAME: Laundry Detergent

DESCRIPTION: Our super concentrated LAUNDRY DETERGENT harnesses oxygen and bio-based enzymes to clean your clothes. The powder quickly dissolves in any temperature of water and leaves nothing but fresh and natural smell behind.

DIRECTIONS: For the best results follow care label instructions. For standard machines, fill the machine with water, add detergent and then add clothes. For HE, use the dispenser. Follow the table for dosing. Use double the dose if you have very hard water or heavily soiled clothes. To brighten whites use hot or warm water. Close the lid between uses. Store in a dry place.
